

POLICY FAMILY	SCHOOL BASED MANAGEMENT	218
<p style="text-align: center;"><u>218.</u></p> <p>School Based Management</p> <p>Adopted 9/5/90</p>	<ol style="list-style-type: none"> <li>1. The School Committee seeks to encourage school-based management as a style of leadership, which attempts to enhance the quality of education through an increased participation of the entire community.</li> <li>2. The Committee recognizes that individual buildings will develop collaborative decision-making models, which include teachers, parents, administrators, and, when appropriate, students.</li> <li>3. The Committee recognizes that school based decision-making may involve such activities as: <ol style="list-style-type: none"> <li>a. Setting building goals, which reflect the important needs, values and priorities for that school community, but which are consistent with School Committee and system goals.</li> <li>b. Determining appropriate resources needed to carry out school goals and allocating any resources under school control.</li> <li>c. Assessing curriculum and instructional needs, reviewing research, and making recommendations on the best ways to meet building goals.</li> <li>d. Identifying how progress will be evaluated and monitoring on-going programs.</li> <li>e. Recommending new personnel to the Superintendent for consideration.</li> </ol> </li> </ol>
