USA Gymnastic Breakdown:
Paula thanked the parent reps for volunteering and the NEED for others to help for the last one in May. She also mentioned that with set up and clean up that all of the teams should be helping throughout the year and it should not just be JV or Freshmen doing the work. There was some discussion that the younger kids are doing the work and the Varsity kids are not. This is true for some teams but not all. Paula explained to the parent reps that it is important when requests are made by teams for equipment/funds etc. that it should be used for the whole team freshmen/jv/varsity. Requests should not be made for just varsity to do something. We support every team on every level.
