*As the school year draws to a close and summer approaches, the Summer R.E.C.E.S.S (reading everyday can ensure student success) Reading Program for grades K-4 is being offered. This year classes will be held at the newly renovated Shrewsbury Public Library. During this **free** class, teachers will read and discuss the required reading book with the children and then work on a related craft. You can register your child on the library web site under Calendar. You can also register by sending an email to the address below. Include your child's name, book name and date and time of class. Registration is first come, first served as we only have space for 20 students in each class.*
