

2017-2018 Full Day

Kindergarten Snack

Dear Families,

For full-day kindergarten students:

You may purchase school snack or send a snack from home. We strongly encourage you to participate in the school snack program due to the prevalence of food allergies. Your participation will assure us that all snacks are nut-free. If you must send a snack from home, please make sure that you read labels and packaging to assure that the ingredients do not contain nuts or nut products. If you participate, the Food Service Department will provide a snack and a beverage (menu on backside) for your child daily. Both snack and beverage are delivered to your child's classroom. The cost of the snack and beverage is \$153.00 for the year. Please detach and return this prepayment form for snack by June 1, 2017 to:

Shrewsbury Food Service Department
High School
64 Holden Street
Shrewsbury, MA 01545

Questions???

Please call the Food Service Department at (508) 841-8819.
Substitutions will be made to accommodate students.

Child's Name _____

Beal _____ Coolidge _____ Spring _____ Paton _____
