All students at Shrewsbury High School are expected to read at least one book over the summer.

- Students enrolled in A-level, B-level, and honors English classes will read grade-level common texts and can expect a quiz on the grade-level required reading in the first week of school.
- Students enrolled in AP English have additional expectations that have been communicated directly from the AP teachers.
- Students enrolled in Essential English may read alternate texts, listed above, and will be assessed in alternate ways.
- Any student or parent who has a question about summer reading can contact Liza Trombley, Director of English, via email: [ltrombley@shrewsbury.k12.ma.us](mailto:ltrombley@shrewsbury.k12.ma.us). Questions about AP summer work should be addressed directly to the AP teachers. Questions about summer reading in Essential English should be directed to those teachers.
