*As the school year draws to a close and summer approaches, the Summer R.E.C.E.S.S (reading everyday can ensure student success) Reading Program for grades K-4 is being offered. This year classes will be held at Shrewsbury Public Library. During this **free** class, teachers will read and discuss the required reading book with the children and then work on a related craft. You can register your child on the library web site using the following link.*
