

Sherwood Middle School Summer Reading 2019
Letter to Parents

May 2019

Dear Families,

Summer provides a wonderful opportunity for students and families to enjoy great books together! The goal of the middle school summer reading program is *to foster a love of reading*. Reading over the summer can also help students to maintain or even improve their reading skills. In order to meet the needs of each students' reading skills and interests, the Sherwood summer reading lists contain a variety of genres at various reading levels. Students should be encouraged to read books that match their level of comprehension. All books are listed by reading level (level 3 = challenging, level 2 = average, level 1 = easy).

There are no required novels for grades 5 and 6. Students may select books from the entire Sherwood Middle School Summer Reading List, or from the list of recommended authors at the bottom of the list.

The school year will begin with activities and discussions related to summer reading books. **All students are asked to select and read three books. Students are also asked to complete the grade-level appropriate graphic organizer based on one of the books they read.**

The Sherwood Middle School Summer Reading List and the graphic organizers can be found on the Sherwood Middle School homepage: <http://schools.shrewsbury.ma.gov/sherwood/>.

Also, although it is not required, we recommend that students use strategies to help them to engage in the text. Some strategies may include keeping a reading journal or annotating the book as they read with questions, ideas, or personal responses. Students may also benefit from reading the same title as a friend or family member and engaging in ongoing discussions about the book. Students should be ready to engage in a discussion about their book, or complete a quick assignment having to do with one or more of the books they read.

Summer reading books should be selected according to interest and independent reading ability. If your child is struggling with a book, please have them try another text that more comfortably fits their independent reading level. If your child is having difficulty finding an appropriate selection, please contact Lisa Daly (ldaly@shrewsbury.k12.ma.us) and further accommodations may be discussed.

Best wishes for an enjoyable summer!
