Subj: DONATION TO SHREWSBURY HIGH SCHOOL ROBOTICS TEAM 467

Background

In accordance with School Committee Policy 911: Gifts and Donations, we are proposing acceptance of a \$20,000 gift from Allegro MicroSystems. The gift is made in honor of Rich Cooper, a longtime volunteer to the team, who recently retired from Allegro after a career as an engineer.

The gift will help purchase new equipment that the team can use to make parts for future robotics competitions.

Recommendation

It is recommended that the School Committee vote to accept the donation of the \$20,000 for the stated purpose.
