What happens when girls come together?

They learn all they can do and be while experiencing the great outdoors, learn life skills, money management, experiment in STEM, and the thrill of trying new things.

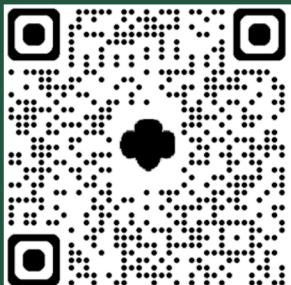

All while having fun and making lifelong memories with friends.

¿Qué sucede cuando las niñas se reúnen?

Descubren todo lo que pueden hacer y llegar a ser mientras disfrutan de la naturaleza, aprenden destrezas para la vida, manejo del dinero, exploran las áreas de STEM

(ciencia, tecnología, ingeniería y matemáticas) y viven la emoción de probar cosas nuevas.

Todo esto mientras se divierten y crean recuerdos inolvidables para toda la vida junto a sus amigas.
