Winter Guard displays its skills

SUBURBAN LIFE MEDIA

DOWNERS GROVE - The Downers Grove North High School Winter Guard put on a relaxed and engaging show April 13, putting their skills on display at the annual Season Showcase.

The team spends most of its time traveling to compete, so for the third year the students offered family and friends a chance to view their abilities for free in a local venue instead of at faraway

events with a cost of admission.

At this year's event, the guard performed their competitive show entitled *Disconnected*, said coach Crystal Zaragoza, as well as their routine from the prior week's spring pep assembly before inviting the parents of the guard onto the floor for a drop spin contest.
