DOWNERS GROVE – Ken Sorensen, associate principal at Downers Grove North High School, was recognized as the 2016-17 Illinois Principals Association DuPage Region Assistant Principal of the Year, according to a Community High School District 99 news release.

According to the Illinois Principals Association, Sorensen was selected in part based on the positive impact

“He works selflessly and tirelessly behind the scenes to make sure that everyone who is part of the North High family has a positive experience.”

Janice Schwarze

Downers Grove North principal

he makes on education and advocacy for children, his creativity and imagination in bringing about positive

change, and his collaboration with others to improve programs and student achievement, the release stated.

He is in charge of school operations and technology.

“This recognition is well-deserved as Ken contributes so much and in so many ways to the success of our school and students, including leading our technology, safety efforts and facility plans,” Downers Grove North Principal Janice Schwarze said in the release. “He works selflessly and tirelessly behind the scenes to make sure that everyone who is part of the North High family has a positive experience.”
