Downers Grove North gets recognized for fundraising efforts

DOWNERS GROVE – The American Heart Association recently awarded Downers Grove North High School its traveling trophy for raising the most funds of all schools in the Chicago area during its Hoops for Heart Event.

Student leaders organized and advertised the one-day event, which included a variety of physical activities for students who made a donation, according to a news release.

This year, the school raised \$16,000 for the American Heart Association.
