

District 99 - Master Facility Plan February Community Open Houses

COME LEARN ABOUT PROPOSED IMPROVEMENTS AND TOUR YOUR SCHOOLS

- ✓ District 99 is seeking to make improvements that will make North High School and South High School safer and more secure, more accessible for people with disabilities, and provide flexible learning spaces that will improve collaborative learning and leverage instructional technology for students.
- ✓ The District 99 Board of Education voted on December 18, 2017 to place a proposal on the March 20, 2018 ballot to address \$136.6 million in capital facility improvements. The estimated annual tax impact of the \$136.6 million in capital improvements is \$65 for a \$300,000 home.
