Lead-Based Paint Abatement

Dear Parents, Faculty and Staff,

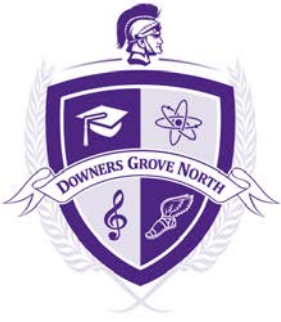

This letter is to inform you that the above-referenced project is scheduled to be started on May 29, 2018 and continue until June 20, 2018. This project includes the removal of lead-based paint from structural steel components at the ceiling of the White Gymnasium to facilitate the installation of HVAC equipment on the gym roof.

This project has been designed to meet all applicable rules and regulations by Environmental Analysis, Inc. All work activities will be conducted by Illinois Department of Public Health (IDPH) licensed workers trained and accredited to work in Illinois Public Schools. Additionally the project will be monitored at all times by an environmental consultant.

If you have any questions regarding this letter please contact Environmental Analysis, Inc. at (312) 491-8800.

Sincerely,

Michelle Cannan  
Supervisor of Building and Grounds
