

Schedule Pickup Day - Downers Grove North High School

Tuesday, August 7 is schedule pick up day at North High School, 4436 Main Street, from **9:00am-1:00pm and 3:00pm-6:00pm**. Please park in the Main Street lot. Everything you need to do is on the first floor and organized by stations. When you enter the lobby you should check in; you'll receive a checklist that outlines what you still need to complete in order to receive your schedule. If you've done everything online and your checklist is complete your visit will be brief. Below is a map and table that describes the stations and their locations.

If you plan to apply for a **FEE WAIVER** and haven't already done so, please be sure to do this before Tuesday at the school. Call the school at 630-795-8400 if you have any questions about fee waiver applications and supporting documents.

If you are a **TRANSFER STUDENT** this information does not apply. Transfer students should already have an appointment scheduled with their counselor to make all the necessary arrangements to begin school.

PE shirts: All freshmen will receive their PE shirt the first week of school. If needed, returning students may purchase a replacement PE shirt on Tuesday in the cafeteria for \$3.

If you have any questions about registration, please call the school at [630-795-8400](tel:630-795-8400).
