

2018 UNDERCLASS PHOTO SCHEDULE

Please bring your English students to the **Auditorium** according to the schedule below. Teachers whose names appear in **bold** should bring their classes at the start of the period; all others should wait 20 minutes into the period before leaving for the Auditorium. Call x8518 if you have any questions. **Please inform your students of their scheduled photo date a few days before their picture is going to be taken!**

Picture orders and money should be turned in when photos are taken; extra forms are in room C149. Ordering is OPTIONAL; photos can be taken for the yearbook only, without an order, free of charge. Please encourage all students to take a photo for the yearbook!

IF a student is absent (excused) during the scheduled photo session, you MAY send him/her to the auditorium with a pass at another date that a photographer is present, provided that does not interfere with your class. They can also come in during their lunchtime any scheduled day. Otherwise, LifeTouch will return on November 16th for make-ups.

Faculty/Staff may stop in ANY day throughout the week or get your picture taken with one of your classes
