Personnel:

District 99 Building Supervisor is necessary at all rentals. This supervisor will open facility and monitor use but is not responsible for supervising individuals within the rental event. Rental organizers are responsible for supervising their own groups.

Custodian will be brought in towards the end of the event to clean and prepare the facility for school use. A custodian will not necessarily be present during the event unless requested and contracted for their time. Rental groups will be responsible for messes and emergencies.

Pool Supervisor and 2 lifeguards are necessary at every pool rental.

Auditorium Manager will be present at large auditorium events.

Auditorium Crew Tech, one for lights and one for sound are required at auditorium rentals.
