Dr. Thiele shared the following security enhancements either are in place, or will be shortly: a lead security officer, who is a retired police officer, at both buildings; security film on doorways; a rapid police emergency response system; and a web application, *CrisisGo*, which contains school and District emergency plans and allows staff to take attendance at a reunification site.

Dr. Thiele shared, as part of the Consent Agenda, the Board would vote to add language to the Student Handbooks stating pulling the police alarm, when there is no emergency, carries the same consequences as pulling an unwarranted fire alarm.

6. **Update on Minority Recruiting**

Ms. Ziccardi stated an advantage of receiving the Seal is state public universities will provide the student with two years of foreign language credit if the student requests it.

11. **FIVE-YEAR FINANCIAL PROJECTION**

Mark Staehlin presented a conservative look at the five-year financial projections, based on a CPI-U of 1.8% and modest interest rate increases. He noted in 2021-2022 there is a projected decrease in enrollment, which would result in a projected increase in the fund balance of $404,000, and in 2022-2023, when the HVAC bonds are paid off, the fund balance will have an additional increase of $2 million.
