2019 ADVANCED PLACEMENT EXAMINATIONS

Through college-level AP courses, you enter a universe of knowledge that might otherwise remain unexplored in high school; through AP Exams, you have the opportunity to earn credit or advanced standing at many of the nation's colleges and universities. Approximately 80% of AP examinations taken by DGN students last year earned grades of 3 or higher. These results brought students opportunities for advanced work and the possibility of savings in college costs.

To determine whether or not you should take an examination, do the following now:

- 1. Consult with your teacher.**
- 2. Find out about AP credit or advance standing policies at the college/university of your choice by checking the website or by calling the admissions office.**
