3. **Textbook Recommendations for 2019-2020**

Rob Lang, Director of Innovation in Teaching and Learning, stated there was a change in Board policy for textbook approvals. He shared, previously textbooks were required to be on public display for 30-days prior to Board approval but, as State law requires instructional materials be available to the public at any time, the 30-day display window is no longer necessary. Dr. Lang stated administration was recommending textbooks for AP German and Introduction to Teaching for Board approval. He noted
Introduction to Teaching is a dual credit course offered through College of DuPage (COD) and the recommended textbook is the same book used at COD.

4. **PROPOSED STUDENT FEES FOR 2019-2020**

Dr. Thiele stated administration received comments from families regarding the proposed discontinuation of the Family Athletic Pass. Dr. Thiele asked anyone who has questions or concerns about the Family Athletic Pass to contact him.

Mr. Kolodziej stated when he provides updates on bids that are awarded for the MFP he will also provide a summary of whether the bids are over or under budget.

6. **MASTER FACILITY PLAN PROGRESS**

Dr. Thiele shared current discussion centers around the $5M allocated for furniture and equipment (i.e. kilns, tables, radio room equipment, etc.) in the MFP. He stated the $5M figure was originally calculated based on the number of square feet to be furnished and now that the design documents have been drafted, specific needs are being determined by what will fit in the space, whether new furniture needs to be purchased and what existing furniture can be used.

Dr. Thiele also shared a new rendering of the North High loading dock. He stated the changes were a result of concerns expressed by the school’s Prince Street neighbors.
