The Committee is reviewing feedback from over 1,500 people and that there are people with strong feelings in support of the early start calendar and the traditional calendar. According to Dr. McDonald, the key issues are: the heat in August, as there are instructional spaces that are not air conditioned; conflict with calendars of the feeder school districts; family vacations in August; the impact on fall sports based on IHSA start dates; the desire to have the break at the semester; a true mental health break for students; and more instructional time before AP exams.

Dr. McDonald shared that the Calendar Committee is scheduled to meet twice more, and after their last meeting will make a calendar recommendation to the Board.

6. South High Sign

Jim Kolodziej presented two sign options to the Board; the original design (Option 1) submitted with the INP 2 zoning request that has been approved by the Village and a second option (Option 2), that includes a 3D mustang, and would require approval from the Village. The cost of Option 1 is
approximately $53,000 and the cost of Option 2 is approximately $78,000. Mr. Kolodziej stated that the total cost of Option 1 would most likely be covered by the insurance proceeds from the sign that was destroyed by the tornado in 2011. The consensus of the Board was that they preferred Option 2, but would like to know if insurance would cover the entire cost, and if insurance did not cover the full cost, they would like to revisit the discussion.
