

Downers Grove North students participate in all-female choir festival

Photo provided

The Downers Grove North Treble Choir recently participates in the IL-ACDA Women's Sing and Share Festival. The festival featured 20 women's choirs from the state of Illinois. Each choir had the opportunity to perform and work with a clinician, in addition to listening to and learning from the other choirs' performances. The day ended with a mass choir rehearsal and performance featuring more than 600 young women.
