

**Downers Grove South choir  
to perform at Carnegie Hall**

DOWNERS GROVE – Students in the Downers Grove South Choir have been selected to perform at Carnegie Hall in New York City, according to a news release from Community High School District 99.

The 61 students will perform alongside other nationally recognized high school choirs March 25.

The students were selected through the Choirs of America program, which invites proven high school choirs to perform at the national festival.

The Downers Grove South choir was selected based on the DGS Madrigal Singer performances last year at the Illinois Music Education Conference in Peoria and the American Choral Director's Central Division Convention in Chicago.
