Kudos to actors in DG South's production of 'Hello, Dolly'

To the editor:

My wife and I would like to thank Downers Grove South High School for the spectacular performance of "Hello, Dolly."

We, along with our friends, were in awe of the talent they showed. The professionalism was as good as if we were in New York City seeing a musical there. The standing ovations were well deserved.

The conductor of the orchestra was also to perfection. We didn't hear any mistakes in the cast of singers or the orchestra.

Bravo, bravo to the entire cast who worked behind the scenes.

We are looking forward to seeing what will be next to entertain the Downers Grove residents.

Thank you!
