
COMMUNITY HIGH SCHOOL DISTRICT 99 BOARD OF EDUCATION

What experience and strengths would you bring to this office if elected? With 12 years of experience I feel I have the ability to listen to all sides of an issue, ask thoughtful questions and give a reasonable answer.

How do you balance meeting student needs with being sensitive to taxpayers?

Our goal has always been to provide our students with useful programs within the revenue stream. We have succeeded in that and I would like to continue to provide these programs so that students can succeed in life.
