Background check

As a condition of admission, an applicant will be required to authorize Anabaptist Mennonite Biblical Seminary (AMBS) to obtain a background check. If the results of the background check are not deemed acceptable, AMBS will evaluate the results based on the nature of the violation and extenuating circumstances. (AMBS does not automatically deny admission based on minor offenses.)

Any information provided by the applicant regarding his or her background check will be included for consideration in his or her application for admission. If the applicant is admitted, AMBS will store a copy of the background check in the student's file in perpetuity, either on paper or digitally archived. If the applicant is not admitted, AMBS will store the entire application, including the background check, in the seminary's admissions files for a period of two years, after which the application will be destroyed in its entirety.

Please complete the following two forms and return them to the Admissions Office via email (admissions@ambs.edu) or postal mail:

AMBS Mission and Values

Admission to AMBS assumes a commitment on the part of every student to join and participate in a community devoted to theological education and preparation for ministry, worship, study and the life of Christian faith. It is understood that all members of the seminary community will respect the confessions,

convictions, values and commitments of the tradition and the churches that AMBS serves, and will respect other traditions represented in the community and in the places where members minister and learn. It also is understood that members of the community will respect the core values of AMBS and the seminary's commitment to antiracism and welcoming Christians of diverse traditions and ethnicities.
