

## Fan Gear Information

### Calling all moms, dads, grandparents, alumnae and Regents fans!

Notre Dame is proud to partner with Drina Gonzalez '88 Henry, a proud alumna and downtown business owner, to offer an online fan gear store for the Notre Dame community. You can purchase hoodie sweatshirts, polos, mesh zip-ups, hats, fleece vests, tanks and much more. We'll also be adding to the options as we move through the school year.

### Here's how it works:

1. Visit the store online at [www.ndsj.org/fan-gear](http://www.ndsj.org/fan-gear) to view options (you can also visit the shop to view apparel options in person).
2. Select your desired logo.
3. Place your order and pay online.
4. Pick up your order in the Manley office at Notre Dame when notified.

That's it! It's simple and fashionable to show your ND pride!

NOTE: Options sold at the fan gear store are **not** uniform options for students. Uniform items are available through Merry Mart.
