NDSJ GLOBAL EDUCATION

JAPAN

JUNE 2020

CULTURAL IMMERSION

We have developed a student exchange program with our sister school Notre Dame Seishin Junior and Senior High School in Kurashiki City, Okayama Prefecture, Japan. Students will travel with 2 NDSJ staff chaperones for a 2 week visit on a to-be-determined date in June 2019. In March of 2019, students from ND Seishin will visit NDSJ for 2 weeks. The Japanese students will experience and learn firsthand what it is like to be high school students in America. The exchange students from both school usually stay in contact with their host families for many years.
