

ASHLAND

SUMMER 2019

CULTURAL IMMERSION

In the late summer, our group of approximately 35 ND delegates travel by bus up to the home of the Oregon Shakespeare Festival. Nestled in scenic Southern Oregon, Ashland's Rogue Valley offers an exhilarating mix of culture, cuisine and natural beauty. Students will participate in the Festival by attending mainstage productions and outdoor community shows, as well as meeting with actors, designers, and techies from the world-famous theater company. Join us for a variety of shows (not just Shakespeare!) and a chance to immerse yourself in a beautiful and quirky small town, right across the border in Oregon!
