

# FOSTERING SPIRITUAL GROWTH

Our new building will not just house sacred spaces – it will be a sacred space. Students will be encouraged to ask the hard questions and travel along a personal spiritual journey. When a Notre Dame graduate steps into the world, she will be a leader who understands the need for reflection and promotes common respect.

students represent

**28**

major faith traditions

**73%**

of students attend  
one or more of

**8**

retreat opportunities  
offered by campus  
ministry

**86**

students and faculty participated in  
justice immersion trips last year

**locally**

**nationally**

**globally**
