

WOMEN ^{of} IMPACT SPEAKER SERIES

Partner & Sponsor
Opportunities
2020-2021

As the oldest all-girls high school in the western United States, Notre Dame has an established history of providing education that cultivates women of impact. Through a program focused on leadership development, critical thinking skills, complex problem-solving abilities and effective communication, our students are empowered to find their voice. Our Women of Impact Speaker Series highlights the contributions and achievements of women, bringing successful women together to share their insight, wisdom, experience and perspective as leaders. Through short, moderated, virtual conversations in a webinar format, men and women of all ages and backgrounds are invited to participate in these important conversations in support of Notre Dame's mission to educate young women with the knowledge and skills they need to know for life.

WOMEN OF IMPACT SPEAKER SERIES PARTNER & SPONSOR OPPORTUNITIES

Partnership affords your business an exclusive opportunity to demonstrate a strong commitment to women's leadership and educational opportunities that will build a pipeline of young women leaders in Silicon Valley. Your company will be recognized as a leading advocate for women by guests representing myriad industries and top executive positions.

As a partner, your support is tax-deductible to the extent allowed by law.

The majority of our audience is women including students, parents, and alumni ranging in age from 17 to 70. Past speaker events including our Women of Impact event have had viewership ranging from 400 to 1,500 people. By serving as a sponsor for one of these events you will gain recognition as a leader who recognizes the value of women's contributions and is making it a priority investment.
