

Notre Dame San Jose | 175th Anniversary Gala

SATURDAY, OCTOBER 24, 2026

AT HAYES MANSION, SAN JOSÉ

Support Notre Dame's legacy as the Center for Women's Leadership by sponsoring our 175th Anniversary Gala!

Since 1851, Notre Dame High School has been a beacon of women's leadership in the heart of Downtown San José. In celebration of our 175th year, we're planning an electrifying evening event including dinner, drinks, live music, and fundraising to support our students, our programs, and our mission!

By partnering with Notre Dame as an event sponsor, you're investing in a legacy of excellence. Your support fuels our innovative academic and extracurricular programming, strengthens our school's foundation, and provides vital tuition assistance for the next generation of young women who will lead our global community with strong voices and intelligent compassion.

ABOUT OUR AUDIENCE

We look forward to highlighting your support to our families from 60+ zip codes across the Bay Area, as well as thousands of alums and community partners nationwide — a list that includes elected officials, business executives, entrepreneurs, and other professionals.
