August, 2020

As an integral part of Kirby School District 140's remote learning plan, we will be providing various grade-level specific student materials needed to for instruction. Our certified teachers have worked diligently to plan lessons and create this bundle to promote engaged learning experiences. Your child's bundle may include books, workbooks, packets, laminated items, manipulatives, construction paper, learning tools etc. This bundle is designed for instruction through January 22nd or our first semester. All students will receive their iPad, a stylus and for grades 2-8 a keyboard. Items that will need to be returned either at the culmination of the school year or in the event that your student transfers out include:

- **District provided device (iPad, charging cord, block)**
- **Keyboard (Grades 2-8)**
- **Hard Cover Textbooks**

Our Kirby School District team will do our best to meet all of your students' needs during this unusual school year. If you have any questions regarding your child's supply bundle please contact their teacher.

Respectfully,

A handwritten signature in cursive script that reads "Kristine L. Roth".

Dr. Kristine L. Roth
Assistant Superintendent of Curriculum and Instruction
