

Elementary Checklist

Setting up for Success

1. Charge your iPad.

Plug the charging cord into the iPad. Plug the charging adapter into a working outlet in your home.

2. Set up your workspace.

Find a quiet, distraction-free environment in your home where you can keep school belongings and complete schoolwork each day.

3. Connect to your Wi-Fi.

On your iPad...

SCAN ME

- Tap the **Settings** app icon. 
- Tap Wi-Fi icon in the left column.
- Turn Wi-Fi on by toggling the switch at top.
- Find your home Wi-Fi name
- Select and type in home Wi-Fi password

4. How to Scan a QR code

SCAN ME

QR codes will link you to short how-to videos

- Open Safari.
- Type <https://youtu.be/0lwJcQ-TeWU> in the address bar.

5. Sign in to your Google Account.

On your iPad...

SCAN ME

- Tap the **SAFARI** app icon. 
- Type **GOOGLE.COM** in the URL bar.
- Look in the top right corner of your screen. If you see a blue button that says SIGN IN, tap it. If you are already signed in to your [KSD140.org](https://www.ksd140.org) account, you can skip the rest of this step.
- In the **Email or phone** field, type your Google account address. Your Google account should include your first name, last name, a period, and the two digit year of your graduation.
See your log in and password information.
- Once you successfully complete these steps, you should be taken back to the **GOOGLE.COM** homepage. You will see the sign in button has been replaced by a circle with your initial, showing that you are signed in.
