

Dear Parents,

On Friday, October 23rd, Fourth Grade is planning to have Pumpkin Day! We have purchased a pumpkin for each 4th grader and have planned special lessons in Reading, Math, Science, and Social Studies for the children to experience.

Our classes will complete the activities and lessons together on Friday during our Zoom calls. It will be great fun and very educational!

We are asking that you stop by Helen Keller School sometime on Wednesday, October 21st between 8:00AM and 3:15 PM to pick up a pumpkin and an activity packet for your child.

If you have any questions, please contact your child's homeroom teacher.

Sincerely,
Mrs. Gregerson,
Mrs. Maurer, and
Ms. Salazar
