September, 2017

Dear Walking Track Applicant:

We are ready to open our walking track above the gymnasium to the residents of Norwood. Residents will be issued picture ID badges that will be programmed to open the walking track door on week days from 5-9pm. Those wishing to take advantage of this new facility must fill out the attached CORI form and show a picture ID when they drop off the application to the High School Administration office. Applications may also be delivered by residents to any other school office in the district including the Superintendent's office at 275 Prospect Street. CORI requests are a routine procedure by the school department for all personnel, including those who act as chaperones for various activities. Our student athletes will be using the high school facilities into the evening each day as residents are also accessing the walking track.

After CORI clearance has been issued each resident will be invited to the Facilities Department office at the Savage Center at 275 Prospect Street for a picture ID which will open Door #9 on the gymnasium side of the building. The badge will cost \$5.00 and is to be worn while using the walking track in the evenings.

A list of guidelines for the use of the walking track is also attached. Depending on the demands for the use of the track our hours will be adjusted or expanded. If you have any specific questions please feel free to call the high school main office at 781-352-3522.

Sincerely,

Jonathan Bourn  
Principal
