Date: December 10, 2014

Grade	10
Topic	Study Skills/Organization
Goal	Improve student's self-management skills
Activities/ Procedures	<p>Make a copy for each student of the "12 Organizational and Time Management Tips for High School Students"</p> <p>Have the group take turns reading one tip out loud and debrief each tip. After all tips have been read, ask for additional ideas that organized students in your group have. (Even a "Show and Tell" of what binders work the best.) *Organization of computer files can also be addressed. Have fun with this!</p>
