

# ACTIVITY OUTLOOK

1. Hopefully you have been updating your resume through Naviance for the past couple years. Name the three activities that you value the most (remember, it's the quality of your involvement, not the quantity). If you don't have any activities to list, skip to the next question.

- 1. \_\_\_\_\_
- 2. \_\_\_\_\_
- 3. \_\_\_\_\_

2. List 3 activities that you may still want to get involved in over the next two years.

- 1. \_\_\_\_\_
- 2. \_\_\_\_\_
- 3. \_\_\_\_\_

3. Based on the activities you listed above, in which ones can you take on a leadership role (captain, president, etc)?

4. Next year when you're completing the Common Application, many colleges will ask you to elaborate on one of your extra-curricular or work experiences as a part of a supplemental essay. What activity would you choose write about?

---

5. What makes this activity an experience you want to write about?

## FYI...

- There will be an NHS Involvement Fair soon so you'll be able to find out what other clubs/activities you can get involved in.
- Any part-time job openings and community service opportunities will be posted in the Guidance suite. Come check out the board (it's immediately on your right when you walk into Guidance).
