

**Mission Statement**

Norwood High School is a partnership of students, parents/guardians, staff, and community. Our mission is to provide opportunities in a safe and supportive environment for all students to pursue excellence in the four A's: Academics, Arts, Athletics, and Activities. Assessed by rigorous academic, social, and civic expectations, students learn to think independently and contribute responsibly as respectful members of a diverse, global society.

\*\*\*\*\*

When you answer these questions be idealistic, hopeful, and let your positive ideas shine through. Don't worry right now about what's practical and what's not - this can be narrowed down later. Your participation is very important to us, as together, we all make Norwood High School a special place to be!

- Based on the High School mission statement what are some of the strengths of Norwood High School that help you succeed and fully take part in the high school experience?

---

---

---

---

- What could be improved or added to the high school experience that will help you achieve your goals?

---

---

---

---

- What qualities should the new high school principal possess that will help all of us achieve our goals here at Norwood High School?

---

---

---

---

**Interested students are invited to attend a community meeting Thursday, Nov. 13<sup>th</sup> at 6:30 p.m. in Rm. 235 to discuss these topics and reach some consensus.**
