

# CAREER INTEREST SEMINAR ~ Interest Inventory

The Guidance Department is in the process of organizing a career fair for the junior class that will take place in early June. The intent is to give you the opportunity to hear from professionals in various career fields that may be of interest to you.

We need your help to ensure that we invite professionals that draw the most interest from your class. Please rank your top 5 careers from the list below, with “1” being your top preference. If you have an interest that’s not listed, please add it under “other.” **AT MOST, ONLY SELECT 5 PROFESSIONS FROM THE LISTING BELOW.**
