September 18, 2014

Grade	12
Topic	Reconnect with group; Discussion on Extra-curricular involvement
Goal	To reconnect and re-establish rapport within your group; to gauge where students are in the post-graduate planning process.
Activities/ Procedures	<ol style="list-style-type: none">1. Icebreaker – Discuss what students did over the summer. Go around and ask each student to name the best thing they did this summer. Did any students do something that helped their academic or post-secondary planning (e.g. took an online class, internship, employment)2. Have a discussion about where students are in the post-secondary planning process. Who visited colleges/trade schools? Who has something other than college they're looking to pursue? Did anyone work at a job that opened them up to a possible career interest? Discuss importance of having a plan.3. Distribute "Post-Graduate Planning Activity" handout. See if they have any questions or concerns. Bring them back together to have discussion about post-graduate plans.
