

Seniors will be voting today for the Post Prom Party theme. Every student who is a senior should vote, even if they have not yet decided if they will be attending the party. Students may only vote once. You will receive ballots in your mailbox. A sample is given below. Please return all ballots to Mrs. Kaplan in 266, or in my mailbox. Please include the post-it with your name so that I know whose I get back. It is important that I receive all ballots on Thursday, as we are announcing the theme Thursday night at our meeting.
