

## **SENIOR INTERVIEW**

1. What was your favorite year of high school? Why?
2. What was your most challenging year academically?
3. If you could do it all over again, what would you have changed about your experience?
4. Who was your favorite teacher? Why?
5. Who was someone who positively affected your life in high school (if different from the answer to #4)?
6. If you could change one thing about NHS, what would it be?
7. What are you most excited about for life after high school?
8. What are you most anxious about for life after high school?
9. What was the greatest lesson you learned in high school?
10. What would be your biggest piece of advice to freshmen just starting out?
