Dear Parent or Guardian:

Your child has been recommended to participate in our Title I program. Title I is federally funded and developed specifically for the purpose of providing academic remediation for children in academic need. At the elementary level, we will focus primarily on reading. At the middle school level our focus will be on literacy. Children receive instruction several times a week on a regular basis from the Title I staff. Our program is geared to individual needs using a “pull out” model. At the Coakley Middle School, your child is scheduled into a class for this program. Title I regulations direct a service delivery model where the Title I teacher works either within or in a pull out model with direction and support from the classroom teacher.

Your child’s teacher feels that Title I can contribute to your son’s/daughter’s educational progress. Therefore, we request that you complete the form below and return it to the classroom teacher by \_\_\_\_\_.

If you have any questions, please do not hesitate to call your child’s classroom teacher or the building principal.

Sincerely,

Carole Poirier  
Title I Coordinator
