

# Superintendent Search On-line Survey

The Superintendent Search Committee invites you to participate in an **online survey** designed to allow those that are not able to fit any of the in-person focus group sessions into their schedule.

<https://www.surveymonkey.com/r/NORWOOD2016>

Once the survey is submitted, it cannot be edited.

It is our goal to gather input from as many constituencies as possible as we go through the process of selecting a Superintendent together.

Thank you in advance for completing the survey and supporting Norwood Public Schools.
