Program Details

In the Elementary PACS program, The Assessment of Basic Language and Learning Skills is used as the curriculum along with the Massachusetts State Curriculum.

Students are intergraded in school activities including: lunch, recess, special programming, morning meeting with their grade level and specials such as library, art, gym and music. Data is kept on students to measure progress over time. Students take part in community outings to prepare and practice for life in the community.

Specific Curriculum

- Edmark Reading Program
- Discrete Trial Training
- ABLLS-R Curriculum
- Social Skills Training
- Safety Training
- Self Help Skills such as:
 - tooth brushing
 - toileting
 - dressing
