STE MCAS

This is a reminder that the STE MCAS testing will be taking place June 5th and June 6th. Buses will pick up all students at their regular time and then students will report to the cafeteria for breakfast and then to their assigned MCAS testing room. Additionally, the cafeteria will be open at 7am for students arriving early. It is important that students get a good night’s sleep, eat breakfast in the morning, and arrive to school by 7:40am.

Buses will pick up grade students at their regular time and locations. All students not participating in MCAS testing should report to school for regularly scheduled classes.

Thank you for your cooperation as we work together to support our students during this important assessment. Should you have any comments or questions, please don’t hesitate to call the school or email our Assistant Principal, Mrs.Vadhera at pvadhera@norwood.k12.ma.us.

Here are two resources to help you navigate the freedoms and high risk situations inherent in the spring and summer seasons. Being a parent is challenging and it is good to know that we can help one another through these challenging times.
