Good Evening Mustang families,

As of the close of school today, the forecast for Sunday is not clear regarding an indoor or outdoor ceremony. Given the busy schedules of our students, families, and staff, we will be adhering to a 1pm start time on Sunday, whether the ceremony is indoors or outdoors. I will be informing parents via Connect Ed phone call and by email early Sunday morning with the most current forecast as a reference whether the ceremony is indoors or outdoors.

In the meantime, please review the attached graduation information in advance of Sunday’s ceremony.

**Tickets & Seating** – Today each graduating senior received 2 blue and 4 beige tickets for graduation. For an outdoor ceremony, the blue and beige tickets are for general admission seating.

In the event of an indoor graduation, students will be provided two blue tickets for guests to view the ceremony in the gym. Students will have four additional beige tickets to allow guests to view the ceremony in the auditorium, which will be simultaneously broadcast by NPA TV.

There will be a simulcast of the graduation in the auditorium rain or shine. The auditorium will be air conditioned, and has additional handicap accessible seating. The entire ceremony will be broadcast live on NPA TV and simulcast on NPA’s website.

I understand that this is a very special event for our students, and that relatives make great efforts to attend our graduation. In the event of an indoor graduation, I ask that you please recognize the constraints we have for seating, and cooperate with my staff who have volunteered their free time on Sunday to work this event, as we honor the allotted two tickets per graduate for entrance to the gymnasium.

**Arrival Time** - 1:00pm on Sunday, June 5th students should arrive no later than **12:00pm** in the NHS Cafeteria wearing their gowns.

**Attire** – Students should wear comfortable, formal attire. Typically this means dress shirt, tie and slacks, or dresses with comfortable shoes – no high heels. Students that have sashes for military service may wear them over their gowns. Please keep any decorations on caps minimal and tasteful.

Students should remove their caps and gowns from their bags and hang them from a hanger to remove creases. Do not iron the gowns.

**Photographs** – Today your students received information (attached) from Lifetouch, who will have a professional photographer onsite to take pictures of our students. Please refer to that flyer or visit events.lifetouch.com for additional information.
