

This December you can help to

Light up the Circle of Hope

And join a Norwood Tradition

Saturday evening December 7, 2013 the Norwood Circle of Hope Foundation will be lighting up the center of town with luminaries (candles) to celebrate life, hope, the season, and in remembrance of others.

The luminaries will be placed on the Town Common beginning at 5:00 pm to brighten the night for passerbys. Come join us in this breathtaking display!

This year during the afternoon the Norwood Theater will be showing It's a Wonderful Life for a small fee which also benefits the Circle of Hope. Following the luminary lighting ther will be festive entertainment on the Common.

You can help to light up the Circle of Hope by writing your message and purchasing a luminary for \$5.00.

Return this form to your school nurse if you are interested.

NAME: _____

Message to be written on bag: _____

The Circle of Hope Foundation was established in an effort to offer financial aid to the people of Norwood who are stricken with catastrophic illnesses.
