Welcome to the 2018 Annual Fine Arts Festival

On behalf of the Fine Arts Department, I would like to welcome you to our 21<sup>th</sup> annual Fine Arts Festival. This festival will showcase a wide variety of visual art, music, drama, and television production, examples of what is created daily in the classrooms throughout the Norwood Public Schools.

Many people contribute to making this annual festival a success. I'd like to thank Dr. David Thomson, Dr. Alec Wyeth, and the Norwood School Committee for their support of a comprehensive K-12 Fine Arts curriculum; the building principals for the daily support they provide to the fine arts programs in their schools; the fine arts faculty, a truly outstanding and dedicated group of educators; Paul Riccardi, Director of Buildings and Grounds; Maureen Heffernan, and the Norwood Public Schools custodial staff who help us move equipment, schedule rehearsal space, and set up for performances. I would like to thank Mindy Keyes and the Four Points Sheraton for lending us the table clothes as well as the Norwood High School PACS program for assembling our invitation mailing. A special "Thank You" to Anne Calligan, our Fine Arts Department Administrative Assistant, who handles so many different tasks that they are impossible to list.

Last but certainly not least, I would like to thank all of the parents and families who share in our commitment to arts education. Nurturing a desire to aim for excellence is the result of many factors, not the least of which is parental support and involvement. The Fine Arts Department firmly believes that the guidance and encouragement of parents is vitally important in creating successful artistic experiences for all students. Enjoy your afternoon.

A handwritten signature in black ink, appearing to read "Catherine Connor-Moen". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

Catherine Connor-Moen  
Director of Fine Art

*"The life of the arts, far from being an interruption, a distraction, in the life of a nation, is close to the center of a nation's purpose, and is the test of the quality of a nation's civilization."*
